To Whom It May Concern:

Deborah Marie Rodriguez García generously provided her volunteer services as a Spanish translator to Kiva Microfunds for 11 months on the topic of microfinance. She joined us in April 2019 through March 2020. Throughout that time, she translated business proposals for the microbusinesses represented on the Kiva website for funding from Spanish into English.

As a member of our team, Deborah provided extremely satisfactory work, showing professionalism in all her volunteer communications, as well as in the quality of her loan review.

In her volunteer tenure, Deborah translated approximately 24,595 words which made up 186 microbusiness loan descriptions. Kiva Microfunds is appreciative of the excellent translation and expertise that Deborah lent our organization.

Sincerely,

Apryl Gibson
